

Kids4Kids360 empowers children to use innovative ideas to fundraise. Here are some examples to help the children at your school.

### **\$0-\$500**

- ☆ **Small Mall or Market Place:** This is a concept of the children making items and selling them. Items generally range from \$0.25 to \$5.00. A class may decide to hold this event and invite other grades to come and purchase their items. Items may include theme pencils, small toys, individually wrapped home baked goods, etc.
- ☆ **Bake Sale:** These are very popular and do generate a lot of enthusiasm. Items range from \$0.25 to \$10.00. Items may include in individually wrapped home baked goods, whole cakes and more.
- ☆ **Change Collection:** This is a simple concept of children bringing change from home with the permission of their parents to reach a goal.
- ☆ **Sports Competition:** A friendly match up of a whole grade can be a lot of fun. With a low enrollment fee (\$5.00 or less), the children are bound to have fun at basketball, tennis or football.
- ☆ **Holiday Flower Sale:** This is a great event to hold before Mother's Day! Contact a local nursery that will sell you potted and hanging plants at a discount. Send order forms home with the students, and have people pick up their orders at the school.

### **\$500-\$1000 ++**

- ☆ **Cook Book:** This is an innovative idea where children bring to the book a unique home recipe that their parent or loved one makes. The combination of many recipes followed by professional printing can yield up to \$20 per book.
- ☆ **Art Auction:** Children's art is very precious and an auction of this at an intimate exhibit at the school can be very successful. This involves some coordination between teachers (art and homeroom) but is a lot of fun for the kids.
- ☆ **Walk-A-Thon, Marathon, or Jump Rope:** These are great ideas to get the whole school community involved and raise funds. These can be simple and fun.
- ☆ **Basket Raffle:** Every class picks a theme for their basket -- something like sports, chocolate, or summer fun. Items for the basket are donated, and \$1.00 raffle tickets are sold for each basket. Your school can earn at least \$2,000!
- ☆ **Charity Dinner for Kids:** This is the child version of the adult dinners. A sit down banquet at school where there is a social event to follow the dinner can be fun and raise a lot of monies.
